

NT PRO A-1P Knife
A1899
The RED DOT. The choice of professionals everywhere. Left or right handed use. Equipped with Auto-Locking blade slide.

NT A-1000RP Knife
A1897
The world's first, and NT's original. Fast 5 blade system for the professional who changes blades frequently.

NT A-300GR Knife
A1900
A quality inexpensive knife. Stainless channel with metal surround for comfort.

NT L-500GR Knife
A1896
Aluminum diecast grip. Sturdy diecast slide section. Uses # B125 & B126 Heavy-Duty blades.

Super Cutter
A1902
Inexpensive knife for those who tend to lose their tools.

ASR Stainless Snap-off Blades
B338 (50 Blades)

NT A-500RP Knife
A1895
5 blade cartridge knife made affordable by using plastic handle. A great time saver for flat glass and automotive use.

NT A-551P Knife
A1898
Affordable cartridge model holds 5 blades for faster changes.

NT Heavy Duty Stainless Blade
B129N (50 Blades)
Very nice stainless steel snap-off blades. One of the sharpest edges available.

NT 30 Degree Blade
B121 (10 Blades)
30 degree blade angle for special cutting situations.

Spehar 2-Way Trim Tool (Size: 6.5" x 2.5")
A1803
Edge guide and knife all rolled up in a great one-handed tool. Clever design allows you to trim in either direction without lifting your tool away from the window. Flexible material allows you to work on curved windows. One of the best flat glass installation tools we have seen in a long time.

Olfa Notched Stainless Blade
B129S10N (10 Blades)
For use with A1803.

Art Knife Blade (25)
B257 (Use with A1905)

Olfa Art Knife AK-4
A1905
Precision art knife featuring Olfa's exclusive HandSaver® cushion grip, quick-spin blade change, perfectly balanced design and an anti-roll device. Designed for precision cutting, this cutter also accommodates a wide variety of OLFA® art blades. Package includes (2) precision blades, (1) chisel blade and (1) curved carving blade. **GUARANTEED FOREVER!**

Ceramic Safety Film Cutter
A601
Astonishing new tool! Used for pre-cutting heavy gauge safety films along a cutting-table edge. V-notch ceramic blades cut film perfectly, rapidly in both directions, with no edge burrs or flaws.

Olfa Compass Cutter 6" Circle
A2800
Cut the perfect circle every time!
Olfa Compass Cutter Blades (15 Pk)
B160
Blades for A2800

Border Edge Cutter
A1909-16 (1/16" Border Edge Cutter)
A1909-8 (1/8" Border Edge Cutter)
Use with a 1" razor blade to slide across the top of side glass to provide a professional micro-edge. Choose 1/8" or 1/16" micro-edge.

NOTE Even stainless blades can scratch glass if used improperly. Carbon blades are not recommended for use on glass.
