Door Upholstery Remover
A1477
Place tool under the edge of the door upholstery panel, insert into the fastener as far as possible and simply pry up. Large, comfortable handle.

GM Rear-View Mirror Remover
A2305E
For mirrors held on by spring clip. Place this tool under the bottom edge of the bracket where it attaches to the windshield and push the tool toward the glass. This motion will pry the mirror up and off of the bracket. Made in USA.

Ford Rear-View Mirror Remover
A2306E
Remove mirrors from Ford products with ease. Simply slide the blade between the mirror bracket and the mirror. A gentle rocking motion with the tool, using upward pressure, will dislodge the mirror. Made in USA.
